

DICTIONATION KIT
ANALOG**725**
EXECUTIVE

HANGS ON YOUR EVERY WORD

The Dictation System 725 is designed for user-friendly professional-quality dictation. All major dictation functions can be controlled with one hand. The large LC display shows all the information needed to manage the workload, and the Search function offers rapid access to files.

Key Benefits

- Fast return to the beginning of the tape with Auto Rewind
- Quick access to the start of the next job with Search Forward and Skip functions
- LCD Tape Counter shows information stored on cassette

Additional Benefits

- Fast access to any part of the tape with Turbo Wind
- Monitor Fast Forward and Rewind with Audible Scan
- Fast Erase enables swift deletion of confidential recordings
- Optimum transcription playback quality with Volume, Tone and Speed Controls
- Automatic Switch-Off avoids unintentional operation
- Record Protection saves valuable dictation
- 2 Level Adjustable Microphone Sensitivity for conference or close range recordings
- End-of-Letter, Priority and Special Instruction Index Tones
- Pause transcription without missing a word with Auto Backspace Play
- Foot control enables hands-free transcription

Can also be used as a transcribing unit by adding additional accessories
