DICTATION KIT
ANALOG
730
EXECUTIVE

THE ULTIMATE IN DIGITAL DICTATION

The secret of the Dictation and Transcription System 730 is its easy and fast access to any part of the tape. The Desktop 730 offers efficient dictation and transcription, thanks to the Visual Workflow Display. Your recordings can be identified and located easily based on their priority and length.

Key Benefits
- All information at a glance with Visual Workflow Display
- Record important telephone conversations with built-in Telephone Recording option
- Scan and display all information with Auto Rewind Scan
- Fast return to the beginning of the tape with Auto Rewind
- Quick access to the start of the next job with Search Forward and Skip functions
- LCD Tape Counter shows information stored on the cassette

Additional Benefits
- Fast access to any part of the tape with Turbo Wind
- Monitor Fast Forward and Rewind with Audible Scan
- Fast Erase swiftly deletes confidential recordings
- Optimum transcription playback quality with Volume, Tone and Speed Controls
- Automatic Switch-Off avoids unintentional operation
- Record Protection saves valuable dictation
- Pause transcription without missing a word with Auto Backspace Play
- Available as a Transcription or Dictation Kit
- Can be used as both a dictation and transcription machine with additional accessories
